## Welcome

I wonder how many of us have had something new during this festive period? There is something slightly awkward about some new things. New white trainers seem awfully bright and new jeans just need to show a bit of wear before they become comfortable!

Here we are standing at the beginning of a new year. I wonder how long it will be before its newness wears off for us?

God is in the business of making things new; in fact, it says at the very end of the bible, in Revelation ch21 v5, *He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true."*

The wonderful thing is, that he doesn't screw up that which is soiled and broken, otherwise we would have no hope; but as we turn to him He renews us and makes us fit again for purpose. How great is our God!

May 2017 be a rich and fulfilling year for you all

**Preaching series for January:**  
**The life of David.**

## prayer focus

**thank God for...**

...all the Kingdom seeds sown in our community in 2016.

...we had more people to our Family Fun in September and to Carols in December than ever before.

...his provision for 'the place' and for permission given for extending our hours of operation.

...his presence that we have known and felt so many times as we have worshipped and prayed together.

**please pray...**

...for a harvest in 2017. That the seeds sown in 2016 will take root and grow and that many will come to faith.

...that as we move towards becoming one Vineyard church in Norwich it will result in greater blessing than ever before.

...that we as followers of Jesus will know Him better, love Him more and share Him with others to greater effect.

# diary dates
